Additional Notes:

- 1) EMHCs should move to the side of the altar **without delay** as soon as the Presider consumes the Precious Blood, **picking up the purificators** as they come up and placing them on their forearms as they take their places.
- 2) Hosts consecrated **at Mass** are always used **first**.
- 3) EMHC may retrieve Hosts placed on altar to replenish Hosts in Distributors' bowl/ciborium, but should **NOT approach tabernacle** to get additional Hosts; only the Presider should do this.
- 4) EMHCs may consume remaining Precious Blood, but the Presider or Deacon will purify the cups.
- 5) If Deacon Thompson is assisting, **he** will be the one to offer the Precious Blood to the EMHCs. The EMHCs will only offer the chalice to the altar servers/cross bearer.
- 6) If the presiding priest seems to deviate from "the plan," just go with the flow, taking his cue.
