

Holy Redeemer Youth Group (HRYG)

GENERAL RULES & REGULATIONS

1. The Holy Redeemer Youth Group has use of the Youth Center (1st & 2nd parlors, Guerin Room, Kitchen, & Goretti Room). Other spaces including the Four Seasons Room may not be used unless Mrs. Winterson expressly allows it and a chaperon is present.
2. You may **NOT** go to Cherry Park from the time you sign in until the end of our scheduled HRYG activity. Our outdoor space is limited to the parking lot & the alley. If you go to the parking lot, you must have a buddy with you, and you must sign out to let us know where you are. You must return to the Youth Center when the streetlights come on.
3. If you drive, please drive carefully. You are an example that others will look to when it is their time to drive. This means everyone in the car wearing seatbelts and the driver obeying the rules of the road.
4. Smoking or playing with lighters or matches is not permitted.
5. Foul and obscene language is not permitted. This also refers to any music that you play.
6. **Littering, both on and off church property, is not permitted. You must pick up after yourself!**
7. Remember the Golden Rule. Treat others the way you would like to be treated. This not only refers to your peers, but also to the chaperones. Please know that without the care of the chaperones, we would not have a successful youth group.
8. If you are in love or fall in love, please conduct yourself in a manner that is appropriate for the situation. (Holding hands is okay; making out is unacceptable! Stay vertical!!)
9. We will close our HRYG gatherings with prayer in the Goretti Room. All young people and chaperones are asked to participate and to wait to leave until prayer is concluded.
10. Continued or flagrant non-compliance with these Rules and Regulations will result in you being sent home, or, in extreme situations, barred from further Holy Redeemer Youth Group activities.

Please understand that creating these rules is not for the purpose of holding you back. We want to know that each person who participates in Holy Redeemer Youth Group is safe in spirit, mind, and body. Please try to remember that we are here as Catholic Christians and that every person we meet is a fellow child of God.
